ANNUAL

MEMORIAL AWARD

For

Community Service

IN THE BACK MOUNTAIN AREA

For the year

1947

is presented to

Howard L. Hendricks

This award is made to any man or woman without concern for race, creed, color or economic status in recognition of those unselfish qualities of character exemplified in the life of Frank H. Hemelright — a native of the Back Mountain Area — who through determination, modesty, leadership and a reverent Christian character achieved a high position in the esteem of his fellow citizens. His was a life of service above self, attained by the application of the ideal of service and the advancement of understanding and good will in his personal, business and community life.

H. L. Hendricks, Lehman Principal Receives Frank Hemelright Award

Identity Of Winner Is Revealed At Dinner Meeting Attended By One Hundred Persons

Howard L. Hendricks, supervising principal of Lehman Township Schools and teacher of the Men's Bible Class at Lehman Methodist Church, received the first annual Frank Hemelright Memorial Award for community service in the Back Mountain area at a joint dinner meeting of Dallas Rotary and Kiwanis Clubs at Irem Temple Country Club on Wednesday night.

More than 100 persons representing Women of Rotary, Women of Kiwanis, Harvey's Lake Women's Service Club and Dallas Senior and Junior Womens' Clubs gathered to hear Rev. Frederick Reinfurt, pastor of Dallas Methodist Church, announce the name of the man who has done the most for the community during the past year. Although the committee had made its decision some weeks ago, Mr. Hendricks's name had not been revealed until Wednesday night.

Rev. Reinfurt, chairman of the committee of which Rev. Frank K. Abbott of Lehman and Rev. J. J. O'Leary of Shavertown were co-chairmen, was introduced by Frederick Anderson, president of Kiwanis Club.

In making the award, Rev. Reinfurt quoted the late Will Rogers who when asked "What is wrong with the country?" replied, "I don't know. I guess it's people."

Then Rev. Reinfurt went on to stress the importance of character in community life. "We need not only good laws, but good lawyers; not only good churches, but good ministers; not only good laboratories and hospitals, but good scientists and nurses; not only good schools, but good teachers. The good in a community rests on the shoulders of each of us as individuals."

He then explained how the award was made at a meeting of twenty representatives of church, civic and fraternal groups. "We started out by outlining those characteristics which should not have any bearing on our selection. We were definitely not looking for the most popular man, the best looking, the most able politician, the man who slapped the most backs or who knew the most people by their first names.

"We were seeking the man in the community who best exemplified the unselfish Christian qualities in the life of Frank L. Hemelright. These attributes were initiative, unselfishness, courage and integrity.

"The selection was made without concern for sex, race, color, creed or economic status. I am happy to say that throughout the balloting which was secret from the start, Mr. Hendricks's name was never lower than a tie which helps to demonstrate the democratic processes of this award and represents the concensus of opinion of the committee."

Rev. Reinfurt then presented Mr. Hendricks with a $50 War Bond, the gift of the anonymous founder of the award, and the Memorial Award plaque for 1947.

In a modest response Mr. Hendricks who was present with Mrs. Hendricks, said that he recognized the award not so much as coming to him as an individual but as coming to the schools for the contribution they have made to community life.

"This award comes to me for doing a job I consider it a privilege to do and can do only with the generous support and co-operation of the community.

Mr. Hendricks said that it was of particular significance that a school man was selected and he hoped that it was evidence of an increasing awareness of the important contribution made by the schools in our democratic and community life.

He hoped that it meant the opening of a new era in Back Mountain schools.

"We need to reevaluate the program and the purpose of the schools in the light of the changed conditions of today. We should check the administration, attendance areas and staff. We should see that we have adequate teachers, for the teacher is the important item in the matter of education.

"I consider being a teacher—the head of a school—a most solemn and sacred responsibility because in a school we are dealing with a human resource—the most important of all our resources.

"The school is in the key position in the community. Church, home and civic responsibilities all have their roots in the school. If the life of our community is to improve it will depend on how well the schools are doing their job.

"Our increasing rates of divorce, crime and many other ailments are the results of ignorance. If we are to improve the world and the Back Mountain Region we must have understanding. The school by its very nature can dispel this ignorance and promote understanding among men.

"The defeat of ignorance is an individual problem, it cannot be accomplished by 'letting George do it.' We cannot shoulder the responsibility on the school teachers, school boards, churches and welfare organizations. It is our own responsibility.

Hendricks Gets Award

"If any individual is to enjoy life to its fullest extent he must do things for other people. Personnally, the greatest pleasure that has ever come to me has come as the result of helping others.

"I hope the fine spirit of this award can be carried over into a closer co operation in all Back Mountain activity: in education and in all the civic problems of our area.

"I know I shall cherish the opportunity to work with others who shall in later years receive this high honor

"I consider it a challenge to any man who accepts the Hemelright award to live up to it in thought and action; to help meet the needs of this great community and its greatest resource—the boys and girls.

"I want to thank publicly the man or woman who has anonymously made available this award and the Rotary and Kiwanis Clubs, Harvey's Lake Women's Service Club and the Senior and Juniors Womens' Clubs and all other co-operating organizations for their fine spirit of public service."

Senior Play

SEATED: Frank Prutzman-David Thompson; Loraine Keller-Agnes Endicott; Marie Beline-Mrs. Endicott; Marilyn Williams-Cissy Endicott; Dolores Adamshick-Beryl Endicott; Ellen Gibbons-Aunt Caroline; Betty Ide-Louise MacLain.

STANDING: Walter Elston-Lieutenant Clayton; Homer Middleton-Percy Hagaman; Charles Carey-Dan Donovan; Priscilla Abbott-Miss Mabbitt;Jerry Scott-Riccy Endicott; Mrs. Travis-Director of the Play.

The audience was on the edge of its seat; Aunt Caroline, that mizzerly old mud-hen, had just been poisoned. Would Lieut. Clayton discover who had committed the crime or would it go unsolved? Those who saw our play can tell you it was swell. The cast came out to many practices and their efforts were seen that night. Most of them were veteran actors, who had been in the Junior Play. Although "Who Killed Aunt Caroline" was not as hilarious as our Junior Play there were many laughable spots. No one could help but laugh at the dead-pan actions of Marilyn Williams as "Cissy". As a budding scientist Jerry Scott wrapped his tongue around huge scientific names.Producing a play is a lot of hard work, but it's lots of fun too. The whole cast will always remember the fun we had at practice and at our sessions down at the "Rec" afterwards.

Junior Play

CAST: (Left to right) Mary Lamoreaux, Frank Prutzman, Marie Beline, Jerry Scott, Priscilla Abbott, Ellen Gibbons, Neva Edwards, Marilyn Williams, Donald Frantz, Betty Ide, Charles Nuss, Loraine Keller, Mr. Grossman.

"No Bride For the Groom" was a hilarious comedy that kept the audience in gales of laughter. The combination of Jerry Scott as "Boots" and Priscilla Abbott as "Salamandy" was perfect. It seemed everyone in the play wanted to be married. Some of them finally did succeed after getting themselves into many funny situations.

Priscilla Abbott as "Salamandy" threatens "Boots", Jerry Scott, with her lucky horse shoe and warns him,"Mighty good for hangin' on yo' bean,black boy,doesn't yo' mind me!"

Class History

In 1942 we started the last half of the long trek toward the objective we are now attaining. Our home room teacher was Miss Yaple (Mrs. Allegar). We had a large enrollment of about 60. This was because Jackson Twp. had decided to send their Jr.-Sr. High School students to us.We had many wonderful times which we have never forgotten.

Upon entering eighth grade we were split into two sections. Mr. Grossman,a new teacher that year, and Mrs. Hendricks were our sponsors. 8-1 had a contest between the boys and the girls to see which could bring in the most waste paper. When the boys won the girls gave them a party. 8-2 was busy that year too.They won the Curtis Drive Contest,and earned themselves an ice-cream party.

At the beginning of ninth grade we welcomed the students from Ross Twp.Our home room teachers were Mrs. Lewis and Mr. Sidler. The entire Freshman class sponsored the Jr. High School Party on December 1, 1944. Mr. Grossman took the whole class on a trip to Wilkes-Barre to visit the Times Leader,the Court House and the County Prison. At the end of our Freshman year we picked the courses we wanted to take for the remaining years.

Upon entering Sr.High School Charles Nuss and Homer Middleton were elected Co-president, one from each section. We held a Sweetheart Dance on February 13 of that year. We were very proud when it was a great success. Some one said it was the nicest dance ever held that year.

Juniors at last. We were 46 strong with Mr. Ellsworth and Mr. E. Hendricks as our sponsors. Officers for the year were President-Charles Nuss, Vice-President-Alden Wagner, Secretary-Betty Ide, Treasurer-Andrew Fedor.

Determined to fill our class treasury, we sold Scottie T shirts to the student body.

We made our first attempt at theatrical production when we presented our Junior Play "No Bride for the Groom", a comedy which kept the audience in gales of laughter.

We co-sponsored the Spring Prom with the Seniors which brought the term to a successful close.

It seemed strange to enter our Alma Mater as Seniors, with no other class above us. Our sponsors were Miss O'Donnell and Mr. Martin. We elected our Class Officers soon after the term began. They were: President-Walter Elston, Vice-President-Homer Middleton, Secretary-Dolores Adamshick, Treasurer-Bill Ginter, Historian-Jerry Scott, and Assistant Secretary-Betty Ide.

Our Senior year has been full of activities. There were the usual activities which we supplemented by selling Christmas Cards, and candy. Before the Christmas holidays we gave our Senior Play, a mystery this time, entitled "Who Killed Aunt Caroline". Each character was not the type to commit murder. This kept the audience in suspense throughout the entire play.

An all Back Mountain Amateur Show has been planned which will be sponsored by our class.

We are looking forward to our class trip, May Day and Prom. When they are over, preparation for graduation will keep us very busy.

We have enjoyed participation in school activities. They will always give us pleasant memories. Our history has seemed short but we are sure that the other classes will have as much fun making theirs.

Activities

May Day

Never has a lovelier queen reigned over the May Day festivities. Seated on a decorated float with her attendants she was entertained by song and dance.

In the afternoon a field day, under the direction of Mr. Stark, was the biggest attraction. The competition was keen between the classes. The class of 1948 won the Sr. High trophy while the class of 1950 won the Jr. High contest.

This has been an important year for the band. We can proudly claim a decade of service to our school and community.

Looking over those ten years,older members of the band recall playing under the baton of Edwin Franko Goldman, the annual Armistice Day parades in Wilkes-Barre,and trips to the Bloomsburg Fair. Then there is the wonderful time we had on the trip to Johnstown.

The seniors who are leaving the band wish it many more successful years.

Our organization was started last year. Since then it has been active in serving banquets and in general, contributed much to the school organization. This year we served the Dairymen's League Banquet, Firemen's Banquet, F. F. A.Banquet, conducted an assembly program, and had two weiner roasts. As an educational venture we were guests of the Boston Store and after making a tour of the store, we were served a luncheon at the Sterling Hotel. We also went to Harrisburg to attend the Pennsylvania Farm Show. We have many plans for the future which will make this an outstanding organization.

We are proud of the accomplishments of our organization. This year for the first we have 100% membership of the students enrolled in Vocational Agriculture. Our membership is now over 35, making us the second largest F. F. A. in Luzerne and Lackawanna counties.

Our activities are diversified and many, including such items as Area and State judging contests, farm show trip, social and business meetings, Father and Son Banquet, group and individual projects, etc. We had 4 members in the State F. F. A. Band this year. One of our group was an area officer.

School opened and football season got off to a start with the clatter of cleats and an uproar of voices in the locker room. In the capable hands of our new coaches, Mr. Marchakitus and Mr. Martin the boys came out with promising work. Soon the fellows were in the thick of things with Martin's line and Marchakitus' backs fighting hard for a place in the league. When Shickshinny ventured to Lehman they left their mark on the seasons results by a rough game,causing injury to some of the vets for the rest of the season.

Forty-Fort J. V's. went down to defeat under the Scotties to wind up the season with a fine showing for some of the gang who will leave this year. We have the returning veterans: B. Kern,R. Hutchinson E. Santayana, R. Kern,W. Naugle, L.Naugle,D. Britt B. Mont,R. Richardson and R.Morgan with whose work we would like to predict an undefeated season.

This year's cheerleaders under the able sponsoring of Miss Virginia King did an exceptionally fine job in keeping alive the school spirit. These girls have a lot of zip and pep, and have supported the teams, win or lose. They boosted the student body's enthusiasm, not only at games,but also at pep meetings,held both indoors and out. We hope these girls venture forth on the road of life with the eager spirit that they have shown this year.

SECOND ROW: (Left to Right) Melba Reakes,Ruth Wentzel, Betty Warner.

The Lehman Scotties who consist of Ethel Ide, Arlene Wentzel, Elizabeth Kramer, Pauline Ehret, Melba Reakes, Ruth Wentzel, and Betty Warner took the championship in the Playground Recreation League for Basketball in 1946-47 and 1947-48. It was the high light of the 1946-47 season,that the Lehman Scotties was the first girls' team to play at the Kingston Armory. This was the play-off game with the Plymouth Shawneeites,in which our faithful Scotties came out on top with a score of 52-12.

The 1947-48 season brought about many changes. This year our team was made up of the following players: Elizabeth Kramer, Arlene Wentzel Hospodar, Mildred Wentzel, Ethel Ide Peggy Krieger Dungey,. Betty Warner, and Ann Sydlowski. Although they had little practice this season, they were again successful in winning the championship, when they played their tie-off game with the Ashley Starlets. This, their final game, got off to a good start,however,when Ethel Ide was put out of the game on personal fouls, this left only five players on the floor. Because there were no subs, these five had to play the remaining 13 minutes, and again came out on top with a winning score taking the 1947-48 championship.

Of Interest

Curtis Magazine Drive

Each year along in September the school sponsors a magazine drive for the Curtis Publishing Co. We feel proud of the 1947 campaign with total sales of $1581 and a profit of nearly $500. Much interest was created this year since we were reaching for a $1500 goal which most people looked upon with a skeptic eye. On the tenth and last day the student body did a swell job in pushing the goal from $70 below the mark to $158;, the highest since the drives began.

1940	$ 53	1944	$ 792
1941	358	1945	1037
1942	393	1946	1321
1943	713	1947	1581

When the school reaches its quota the Curtis salesman offers a radio as a draw prize to anyone selling five dollars or more. Every five dollars worth they have sold entitles them to one name in the box. Some high salesmen like Gertrude Frantz, with seventy dollars and Howard Meade, with sixty-five dollars were well represented in the draw box. This year Eleanor Filipowski won a swell Philco which was presented to her by Mr. Ruble.

Eleanor McKenna led her grade 7[1] to a very commendable finish with two hundred-fifty percent of their quota. Mrs. Travis presented their leader with another Philco radio.

The Curtis campaign is proud to present to the school such equipment as this sound projector and movie camera.

Field Day Trophy

The seniors are very proud of the trophy we won last year at the Field Day, which was held in the morning before the crowning of the May Queen. Both the boys and the girls fought hard to get the points which helped us win. We hope that same spirit will help us win again.

We are genuinely proud of our cafeteria. It is one of the most outstanding school cafeterias in Pennsylvania.

Wholesome lunches are served to the students for the small price of 12¢ each. This includes a hot dish, sandwich, dessert, and milk.

The cafeteria serves the community as well as the school. As a canning center it enables women of the surrounding countryside to can with the aid of modern equipment.

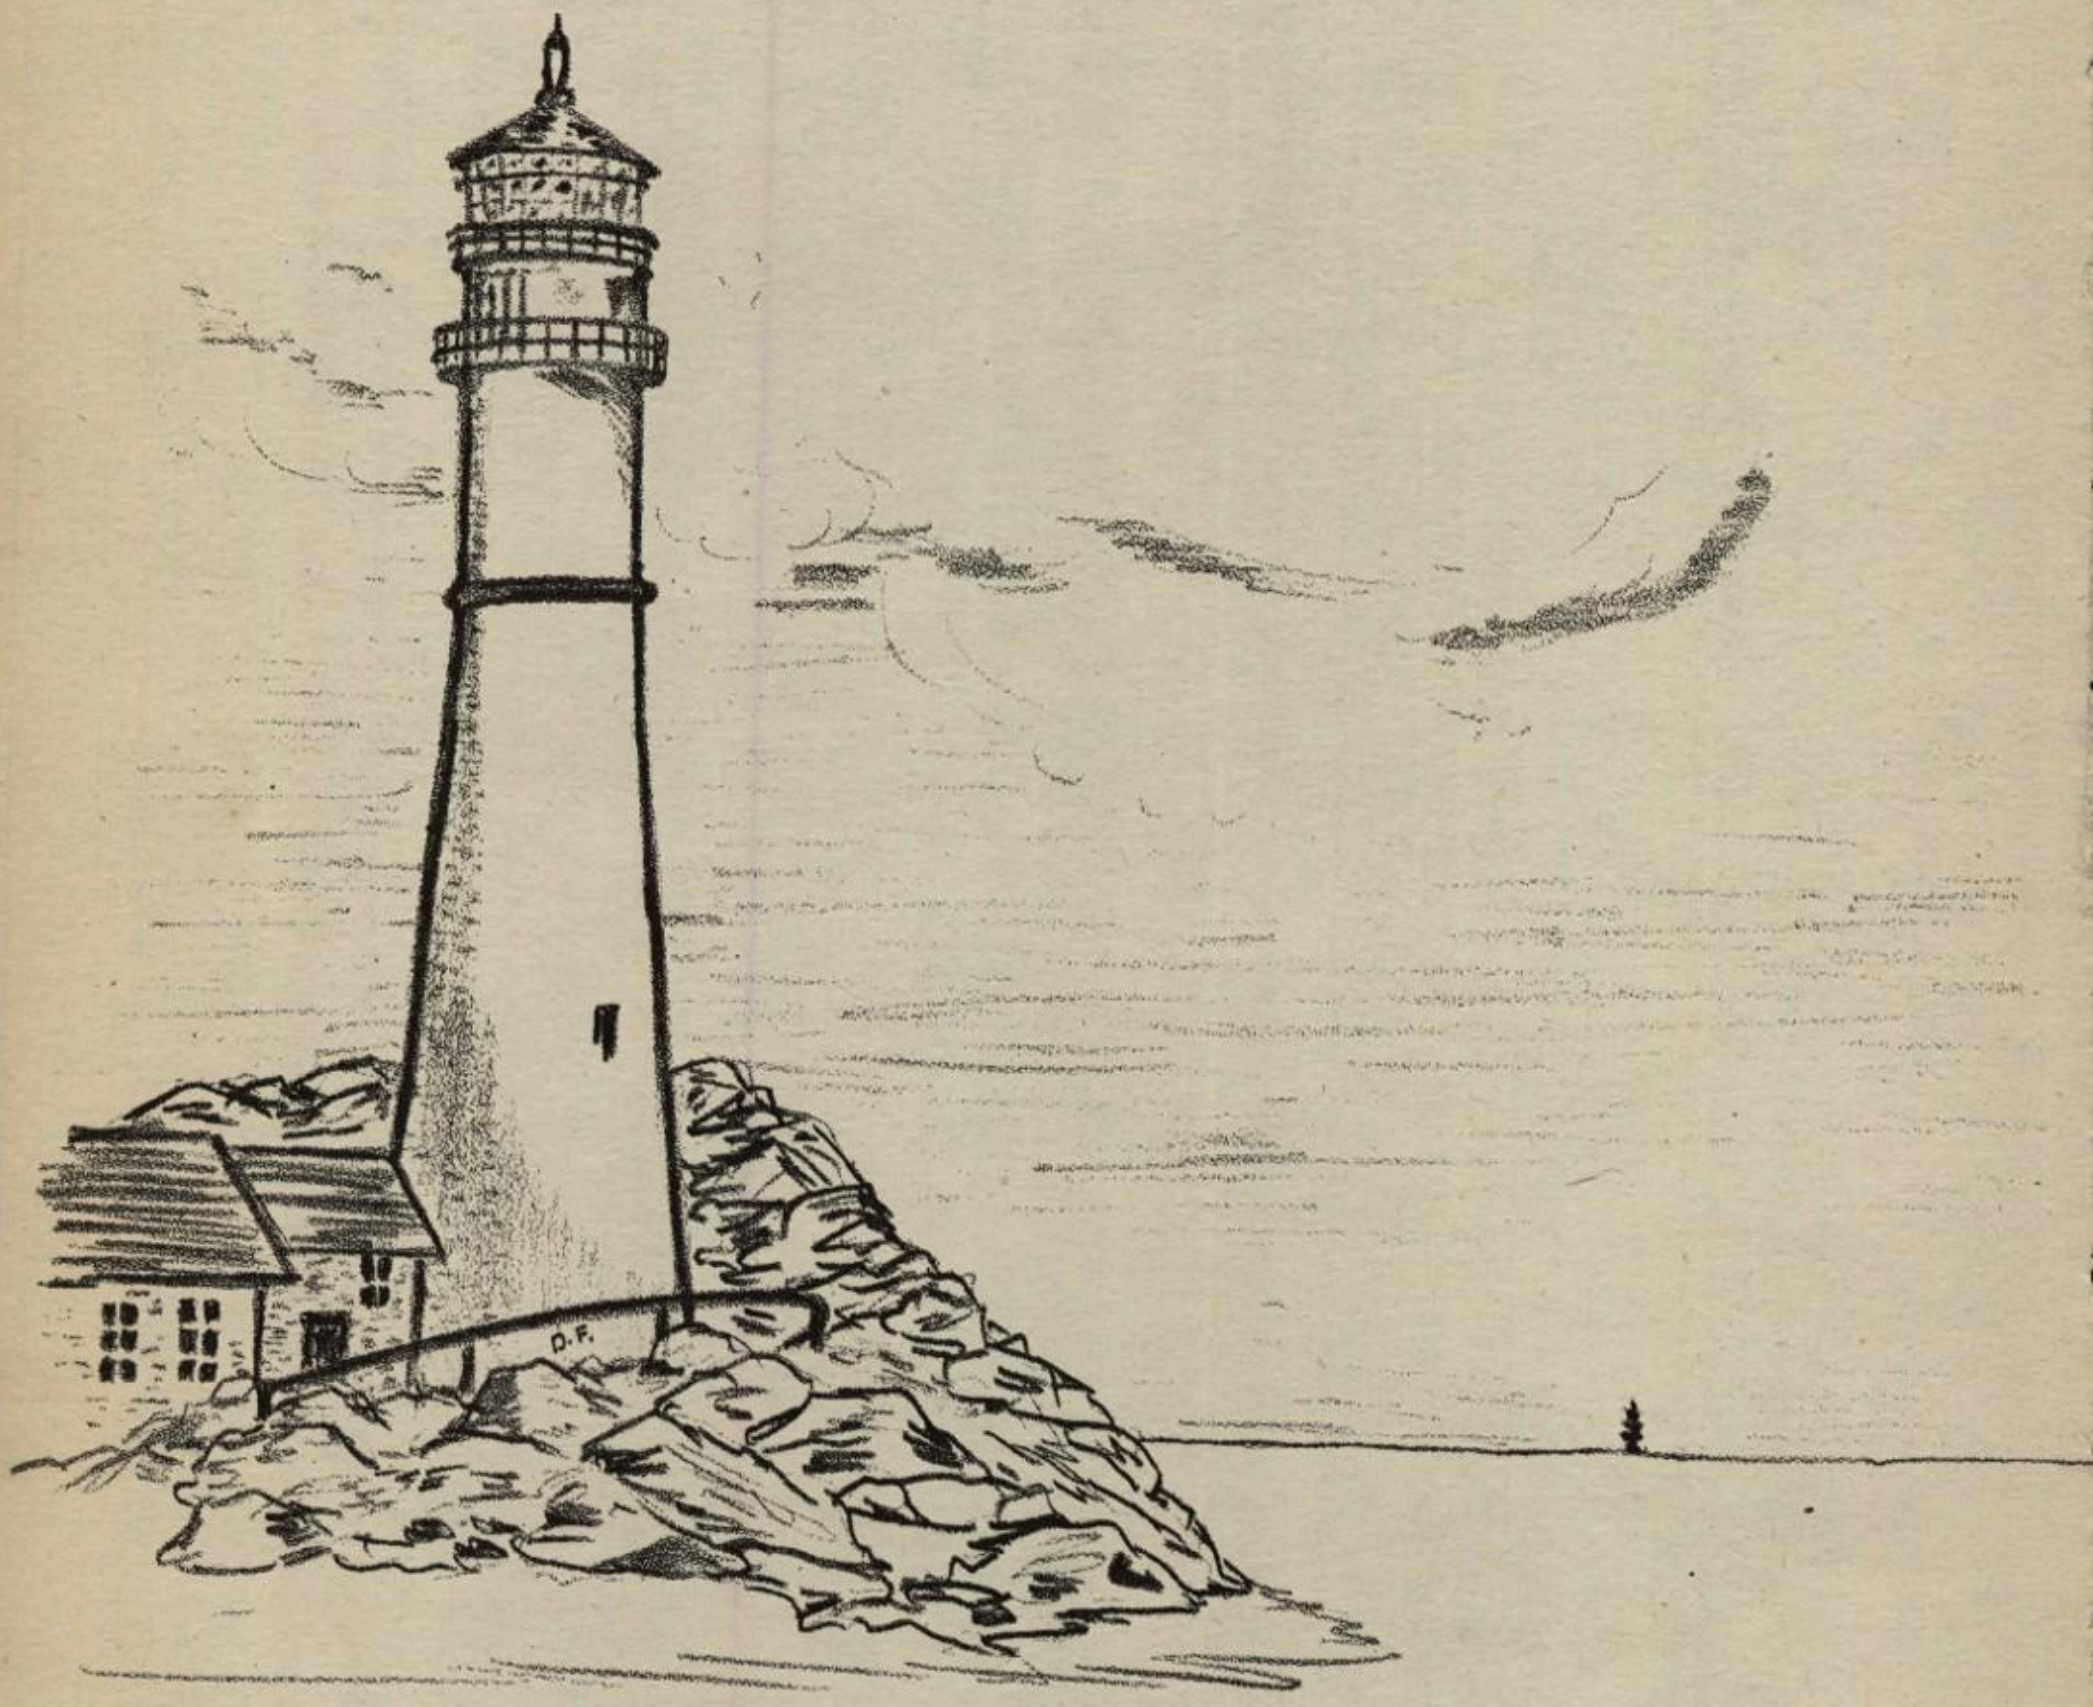
To The Seniors



We, your underclassmates, find it hard to say farewell. We have enjoyed these years spent with you, in work, play and study. We wish to express our appreciation and thanks for the many kindnesses you have extended to us. You have shown your leadership and desire for higher goals in school. We are confident that if the same effort is put forth in your life work you will be successful. With God's help, may you enjoy a full measure of success and happiness.

"Your Underclassmates"

The End Of The Beginning

We have now come to "The End of the Beginning". What follows no one knows, but the high ideals which have been set before us are ever in sight.

Through the last twelve years, our lives have been moulded by careful supervision and constant guidance of parents, teachers, and others, with whom we have come in contact.

We hope that this pattern may not be broken, and that our successors may have the same opportunities which we now so gratefully acknowledge.
